*E*xploring your post-secondary journey is an amazing place to be! There are many paths to forge, and you believe in one that is different from everyone else. We're here to support you throughout your entire educational journey—from application to graduation.

Kwantlen Polytechnic University's five campuses are situated in a region that overlaps with the traditional and ancestral lands of the Coast Salish peoples. We thank them for sharing their land and resources with us in friendship and peace. We honour our name, which the Kwantlen First Nation has graciously shared with us. Kwantlen means "tireless runner" and we strive to always be tireless in our pursuit of knowledge and understanding.

Why stop at theory when you can also harness the power of experience?

What is the difference between open intake and limited intake?

KPU has two types of intakes: Open and Limited. Open intake programs do not limit the number of students that are admitted in each application cycle. This is different from limited intake, which only accept a set number of students in each application cycle and may have additional admission requirements.

Learn the intake for each of our programs on the program details pages (p.18 -25).

How can I meet the meet English requirement?

When you apply to KPU, you will need to satisfy KPU's English Proficiency requirement. For an undergraduate or graduate program, you must satisfy KPU's Undergraduate English Proficiency Requirement in **ONE** of the following ways:

HIGH SCHOOL COURSE OPTIONS
» BC English Studies 12, English First Peoples 12 or Literary Studies 12 with a C+ (or equivalent)

or TESTING OPTIONS
» KPU English Placement Test *or*

» IELTS: overall band of 6.5, with a minimum 6.0 in each band *or*

» TOEFL: iBT 88 or higher, with no sub-score less than 20 *or*

» Duolingo English Test: Score of 110 or higher

or OTHER OPTIONS
» For a full list of options please refer to the university calendar.

Additional faculty admission requirements can also be found in the program details pages 20–27.

Are there online courses?

One thing that we've learned over the last few years, is that there is a strong demand for online learning. We have adapted our class formats to include blended and online options. And we will continue to do what we do so well – the in-person class experience.

What if I don't meet the English requirements?
DON'T WORRY! If you don't currently meet undergraduate English requirements, you may be eligible for a pathway where you can upgrade courses as necessary and transition into undergraduate studies. **» kpu.ca/pathway**

Does KPU have English testing to meet the English requirement?
Yes! A variety of assessment and testing options are available at most campuses and virtually. **» kpu.ca/testing**

Ready to apply?

FIVE STEPS FROM APPLICATION TO ADMISSION

1 Review Requirements

At KPU, we have multiple applicant categories: **high school, transfer, mature**, and **others**. You also need to ensure you meet the admission requirements for your program. These can be found on the program details pages **(p.20–27)**

» **kpu.ca/admission/requirements**

2 Submit your application online

When you apply online, you will be directed to create a profile on **EducationPlannerBC**. Follow the steps to submit your application and pay the **$40 application fee**. Need help? Contact the Future Students' Office for assistance.

» **kpu.ca/apply**

3 Access your KPU Online Self-Service Account

Once we receive your application, you will **receive an email** from us with **your student number and login information** for your KPU student email and Online Self-Service (OSS) account. Be sure to check these accounts often for updates and your application checklist.

» **kpu.ca/admission/now-what**

4 Submit your documents

Submit documents and review your online checklist through your OSS account. If you have attended a BC high school, you will need to **request your transcripts** through the Student Transcript Service (STS).

» **kpu.ca/admission/transcripts**

5 Accept your offer

When you receive an offer letter by email and mail, you will need to accept it by **paying your non-refundable confirmation deposit** through your Online Self-Service account. The confirmation deposit will be **applied to your tuition costs** once you register for classes.
